Dear Mr. Ence:

Re: Beaver River Dis. Sys.  
Account 03-144

Thank you for informing us regarding the sale of your property. In order to transfer the water right and Beaver River Distribution System account to the proper person(s), we will need a Xerox copy of the Warranty Deed conveying ownership of the correct parcel of land from you to the new owner(s).

We have record of the following water rights 77-472, 77-177, 77-37, 77-555 with 0.9 acres in the NW quarter of the SE quarter and 4.2 acres in the NE quarter of the SW quarter, totaling 5.1 acres in Sec. 23, T29S, R7W, SLBM and 77-452, 77-453 8.96 acres in the NW quarter of the SW quarter and 3.30 acres in the SW quarter of the SW quarter, totaling 12.26 acres in Sec. 21 T29S, R7W, SLBM.

According to our distribution account 03-144 the water rights for which the assessment has been levied is the group for the total acreage of 5.1 in Section 23. Please let us know if your records would indicate otherwise.

We also need the new owner(s) complete address.

Once we receive a xerox copy of the proper deed and address in our office, the appropriate steps can be taken to put the water right and distribution account in the new owner(s) name.

If you have any questions, please call me at 538-7431.

Sincerely,

John S. Larsen  
Water Right Specialist
